## Club Plans New Shirts and Events for the Coming Year

Foothills Corvette kicked off the new year with its annual planning session January 5 at DeeJay's Restaurant in Wilkesboro.

Kendall thanked Wanda Harrington for making the Christmas party a success and introduced the 2010 officers.

The year-end balance of 2009 funds was rolled over to begin the year. Empire Chevrolet will again give financial support.

June 12 was set as the date of our fourth cruise-in, and once again it will be for all GM cars. The charity will be Hospice.

The club will host a Valentine's party with all expenses paid to honor all the ladies in the club.

It was approved to request that Ebenezer apply our 2009 donation to the furnishings of a bedroom in the new home being constructed. A plaque will designate this.

Persons in each county were assigned to call others and remind them of club activities.

Rides and social activities will alternate between Saturdays and Sundays each month.

Kendall and Twyla Price showed varied examples of shirts, jackets, and caps. Members decided to order new club shirts in a lightweight moisture-wicking fabric. Several members placed orders for shirts and caps at the meeting.

Kendall is checking to see if the gray sweatshirt he had comes with a zipper and hood. If anyone wants to change his/her order to this, contact Kendall regarding cost. Confirm if a cap is also wanted.

The lightweight moisture-wicking shirts are available in either red, blue, or white for about \$35 with the club logo.

To order, email the following info to Twyla at [twylap@bellsouth.net](mailto:twylap@bellsouth.net)

### Club to Hold Valentine Party, Feb. 6

Finally, a party where we have to do nothing but show up. On February 6 at 6:00 p. m., the club will pay for a catered Valentine party at Wilkesboro Civic Center on School Street, Wilkesboro.

From US 421 South, take Exit 286B, turn left at the light onto NC 268. Turn left at the next light, and the civic center is about one-half mile on the left.

Coming from the west, take Exit 286C and go straight across NC 268. The civic center is about one-half mile on the left.

### January Ride Will Be to The Depot at Cody Creek

The first ride of the year will be Sunday, January 17. The group will leave Empire at 4:00 and drive to The Depot at Cody Creek near Dobson for supper about 5:00

A very upset senior citizen phoned her doctor and asked, "Is it true that I will have to take the medicine you prescribed for the rest of my life?" When told this was true, there was a long pause. "Is there something you didn't tell me? It is marked NO REFILLS."

## Christmas Message from Jean Davis at Ebenezer Children's Home

Over the past year, we have witnessed the Lord's work in the ministry of Ebenezer in many ways. We have seen several children placed in adoptive homes and some have returned to their birth homes with values learned while with us.

Throughout this Christmas season and during the upcoming year, we truly thank God for His many blessings. As you spend time with your families, we extend our most heartfelt thanks to each of you for the prayers, kind words, gifts, and supporting hands.

Pray for us in the coming year. Every child deserves a safe place to laugh, play, and dream. We strive to make that a reality for each child, whatever period of time he/she is with us.

May God bless you and yours in this Christmas season and always.

*Jean Davis, Executive Director  
Ebenezer Gardens Children's Home*

## January

January is the first month in both the Julian and Gregorian calendars. It is named for Janus, the Roman god of the doorway because the month is the doorway to the new year. It is also appropriate that Janus was two-headed as this month looks back to last year and forward to the next. The new year has begun at various times throughout history. It has only been since the 1500s that European countries adopted January 1 as the beginning of a new year.

In the Northern Hemisphere, January is usually the coldest month, a statistic that is holding true in 2010. In the southern half of the world, it is the hottest, comparable to July/August here.
