## Cold, Dreary Day Puts Damper on Club Picnic

*by Shirley Myers and Judy Nichols*

Thirty-seven members and two guests traveled to Grayson Highlands State Park in Virginia for the club picnic. Most likely the cold rainy day kept attendance down, but those who trekked up the mountain made the most of the fellowship and food in spite of the brisk foggy weather.

Chicken was provided by the club, and members brought side dishes and desserts. The latter disappeared very quickly, and some of the cake plates were so clean they looked like they had been licked.

A short meeting was held and new members, Kenny and Deana Little, were welcomed to their first event. The usual visiting and resting in the shade were dispensed with as the group hurried back down the mountain to better weather by way of Sturgills, Helton, and Lansing. Judy Nichols won \$34 in the 50/50 drawing.

The plan to make pictures of members and their cars was cancelled. This will be done at the pizza party at Empire, October 22, if members wish.
