18 Attend Victory Baptist; Larry Price Wins Again

Eighteen Foothills members attended the 11th Cruisin' 4 Christ show at Victory Baptist Church in Clemmons, May 18.

The group met at Redding's Country Kitchen for breakfast and had a delicious buffet. The weather was great, and the afternoon rains missed the show.

As a winner last year, Larry Price's truck was featured on the tee shirt that each pre-registered attendee received.

There were 377 cars displayed, and Larry's red Chevy truck was again a winner, placing fourth overall.

The July newsletter will be mailed late in order to include news from the quarterly business meeting on July 15.

Shelton Vineyards Will Be

Ride Destination June 22

The June ride will be on June 22 since Father's Day is the third Sunday. It has been planned by Rayvaughn and Myrna Ashley to Shelton Vineyards, just off 177 in Elkin.

The group will leave Empire Chevrolet at 2:00 and travel back roads through northeastern Wilkes County to the site. Supper will follow at Pirate's Landing.

July 15 Business Meeting

The quarterly business meeting will be July 15 at Taylorsville Seafood and Steak. Take 16S and turn at the last paved road on right before crossing the Catawba River bridge. At stop sign, turn left and you are there. Meal begins at 5:30, meeting to follow.

This is an important meeting with the following things to be decided:

- x Change in distribution of charity money at Christmas
- x October 4 Cruise-in
- x Overnight trip in the fall
- x Plans for Christmas party

FROM THE EDITOR

Year is Half Over; Time To Plan for Fall Events

Can it be possible that this year is almost half finished?

Dick and I have missed two of the rides and will miss some more in the months to come as we attend Corvette functions around the country.

I hope that many of you attended the reception last weekend as Rex and Brenda Brown celebrated fifty years of marriage. It was great to see them.

Don't forget the important business meeting, July 15. A vote will be taken on the distribution of charity money at Christmas. Other items include the fall cruise-in, the overnight trip, and the Christmas party.

I am still waiting for some stories from you to print in the newsletter. Come on, I know someone has a good story. If not about your Corvette, then tell some other story that would interest our members.

I am preparing a new club directory. Please email any changes, such as email addresses, phone updates, or Corvettes owned. They will be distributed at the July meeting.
